About Us

Welcome to Maharashtra Industrial Laundry, where we take pride in delivering the highest quality laundry services since our inception. Founded on January 18, 2017, by Mr. Tushar Deshmukh, our company has grown to become a trusted name in industrial laundry solutions.

With a clear vision to offer efficient, cost-effective, and high-standard laundry services, we cater to a diverse range of industries, from retail to hospitality to industrial sectors.

Our commitment to excellence, customer satisfaction, and innovation drives our ongoing success, and we look forward to continuing to serve businesses of all sizes with exceptional laundry services.

Our Services

At Maharashtra Industrial Laundry, we offer a comprehensive range of laundry services designed to meet the unique needs of different industries. Whether you are running a retail business, a hotel, or an industrial operation, we have the expertise and equipment to handle all your laundry requirements.

Retail Services

We clean all types of household fabrics ensuring a spotless and fresh outcome.

Hotel Laundry Services

We specialize in laundering bath and bed linens, towels, and other hotel fabrics.

Industrial Laundry

We provide heavy-duty laundry services for industrial clients, cleaning workwear like aprons, dungarees, boiler suits, and seat covers to keep your team ready and presentable.

Staff Laundry

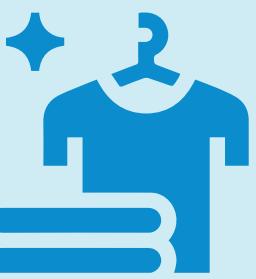

We ensure your team is always in clean, professional attire.

Guest Laundry

Fast and quality laundry services for your guest's personal items.

F&B (Food & Beverage)

We take care of all your tablecloths, napkins, and uniforms, ensuring your dining area maintains a polished and hygienic appearance.

Our state-of-the-art infrastructure

Our facility is strategically located within a spacious 7,000 square-foot area, providing the ideal environment for efficient laundry processing. The large space allows us to accommodate our advanced machinery, separate workstations, and secure storage for garments. This state-of-the-art infrastructure ensures smooth workflows and the ability to handle large volumes of laundry on a daily basis. The expansive area not only enhances productivity but also ensures a safe and organized environment for our employees and the garments we care for.

Our Machinery

At Maharashtra Industrial Laundry, we use top-of-the-line machinery to ensure the best possible results for your laundry needs. Our equipment is designed for high efficiency, superior cleanliness, and fast turnaround times.

Here is a glimpse of our machinery setup:

Our daily capacity ranges from 2 tons (2,000 to 5,000 garments) per day, which means we can efficiently handle large orders, ensuring fast turnarounds for your business.

At Maharashtra Industrial Laundry, we are dedicated to providing superior laundry solutions for every client.

Our combination of cutting-edge machinery, a skilled workforce, and a commitment to excellence ensures that every garment is treated with care and processed to the highest standards.

We understand the demands of various industries, and we strive to meet those needs with reliability, speed, and impeccable results.

As we continue to grow, we remain focused on our mission: delivering laundry services that you can count on, every single time.

Where Quality and Customer Satisfaction Come First.

Thank You!
